

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **City of Detroit v AFSCME Council 25**  
Docket No. **302085**  
L.C. No. **07-000033**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.203(F)(1), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because it was not timely filed under either the 20-day limit provided by MCL 423.216(e) or the general 21-day period for filing a claim of appeal provided by MCR 7.204(A)(1)(a). At this time, appellant may seek to appeal the December 16, 2010 order only by filing a delayed application for leave to appeal under MCR 7.205(F).

The motion for immediate consideration is **DENIED**.

The motion for extension of time to file claim of appeal is **DENIED**. The time limit for filing a claim of appeal is jurisdictional. MCR 7.204(A). This Court's authority to extend the time for doing an act extends only to nonjurisdictional acts. MCR 7.216(B). Accordingly, this Court cannot properly extend the time limit for appellant to file the claim of appeal in this matter.
